DRB Resolution 2020-28 Approving Design Review for a metal cornice

WHEREAS, the Town of Jerome has received an application from Mary Wills and Sally Dryer for preliminary and final design review approvals to install a metal cornice on an existing building at 136 Main Street (where Nellie Bly is located, APNs 401-06-007); and

WHEREAS, the property is in the C-1 zoning district; and

WHEREAS, the Design Review Board has determined that a public hearing is not necessary under Zoning Ordinance Section 304.F.5.; and

WHEREAS, the Design Review process is intended to promote and preserve Jerome's economic and environmental well-being and preserve its distinctive character, natural attractiveness, and overall architectural quality, all of which contribute substantially to its viability as a recreational and tourist center and to its designation as a National Historic Landmark, and

WHEREAS, the Design Review Board has carefully reviewed the applicants' proposal and finds that the applicable criteria have been satisfied:

1. **Material, texture and color** – The materials, texture, and color of the facade of a building or structure shall be visually compatible with the predominant materials, textures, and color used in the building and structures to which it is visually related.
2. **Architectural details** – Doors, windows, eaves, cornices, and other architectural details of a building or structure shall be visually compatible with buildings and structures to which it is visually related.
3. **Architectural features and details** - Original porches, decks, balconies, canopies, doors, windows, walls, fences, stairways, eaves, cornices, and other architectural features and details shall be preserved and retained where feasible. Necessary replacement of these features should be as near as possible to the original feature in design and material.
4. **Color** – Exterior colors should be as near as possible to the original colors appropriate to the years during which the building or structure was built.
5. **Materials and texture** - The original exterior materials and texture shall be preserved and retained where feasible. Where contemporary materials are used, they should be as, near as possible to the original material and texture.

NOW, THEREFORE, BE IT RESOLVED by the Design Review Board of the Town of Jerome, Arizona, that the preliminary and final design for 136 Main Street is hereby reapproved, subject to the following conditions:

1. **Expiration of Approval** – this approval shall become null and void if a building permit is not issued within six (6) months of final Design Review Board approval of this application. If necessary, the applicants may request an extension by the approval body, if the extension is submitted prior to approval expiration.

DRB RESOLUTION NO. 2020-28

2. **Appeal** – Any applicant who is aggrieved by the Design Review Board decision may petition the Mayor or Council for a review within thirty (30) days of the decision. Questions of aesthetics or design standards are not appealable to the Mayor and Council but may be presented to a Court of Record within thirty (30) days of the decision. Additionally, if in the opinion of the Zoning Administrator a decision is not in conformance with the Zoning Code or Comprehensive plan, the Zoning Administrator may request a review by the Mayor and Council within thirty (30) days. By specific motion during an official meeting, the Mayor and Council may refuse to consider a request for review brought by the Zoning Administrator. Finally, the Mayor and Council shall maintain the right to review all decisions of the Design Review Board.

ADOPTED AND APPROVED by a majority vote of the Design Review Board on the 2nd day of November 2020.
