

## Paint/Roofing Application Checklist

Each application will be filed with the zoning administrator and forwarded to the Jerome Design Review Board once the application has been reviewed by staff and determined to be complete. All application materials must be submitted electronically in PDF format (8.5-by-11 inches or 11-by-17 inches). Contact the zoning administrator at 928-634-7943 if assistance is needed regarding submitting materials.

- General Land Use Application Form
- Written narrative describing the details of the proposed paint and/or roof work
- Site plan showing property lines, buildings, and location of proposed paint and/or roofing changes
- Color and/or material samples of proposed paint and/or roofing (may be brought to meeting)
- Paint Colors (if applicable):
